NCRTD BOARD MEETING TO INCLUDE DISCUSSION ON OPERATIONAL ASSESSMENT AND RECOMMENDATIONS FOR THE RTD CHILE LINE ON NOVEMBER 4

The North Central Regional Transit District (NCRTD) will present an operational assessment of its RTD Chile Line and make recommendations for transit services moving forward at its November 4 Board meeting to be held at 9:00 AM, at the Jim West Regional Transit Center, 1327 N. Riverside Dr., Española.

The assessment and recommendations follow a period of soliciting feedback from the public on its transit services in Taos through surveys and comments as well as a public input meeting held in August.

The public is invited to attend the open meeting which will include an opportunity for public comment.

In July of 2015, the NCRTD and the Town of Taos consolidated operation of the town's transit operation, formerly the Taos Chile Line. RTD Chile Line routes include the in-town Red Route, UNM Taos Route, the seasonal TSV Green Route to Taos Ski Valley and the paratransit service, the RTD Chile RIDE.

The North Central Regional Transit District provides fare-free and premium fare bus service to an area that encompasses over 10,000 square miles of north central New Mexico including the counties of Taos, Los Alamos, Rio Arriba and Santa Fe; the Cities of Santa Fe and Española and the Towns of Taos and Edgewood; as well as the Pueblos of Pojoaque, Ohkay Owingeh, Nambé, San Ildefonso, Santa Clara and Tesuque. The agency's signature "RTD Blue Buses" provide additional transit connections to New Mexico Rail Runner, Santa Fe Trails, New Mexico Park and Ride, Los Alamos Atomic City Transit and Red River Miner's Transit.
